## A3 Approve WDBCCC Proposed Budget PY 22/23

## That the Executive Committee recommends that the Full Board approve the PY 2022-23 Proposed Budget.

There is some new funding and some that is still going through the application process. EHSD has not approved the Deputy Director position. WDBCCC is in the process of rebalancing the budget with EHSD Fiscal, and hopes to bring back the midyear budget by early next year.

## **Questions and Comments**

- Where do Carry-Ins from previous year go?
  - It goes to contracts and/or administrative costs as necessary. This proposed budget started in October 2021. WDBCCC has the authority to designate where the Carry-In will go. However, the County budget is done 6-8 months ahead of time; there is a lag with the allocations. Will be working to find a better way to allocate the Carry-Ins, ideally into training dollars.
- What is the overall increase from last year's budget?
  - It is about a 30% increase from fiscal year (FY) 21/22 to 22/23.
- Is there a performance or success matrix tool available to evaluate the effectiveness of the budget for future allocation?
  - Have tools to evaluate performance as a Board and as far as State negotiated performance on how WDB allocates our dollars to those programs; however, WDB does not have a performance in regards to our budget. WDB is gaged on do we meet our performance, and serving the constituents of CCC. The State negotiated performance is what WDB is gaging that on. How WDB is being fiscally responsible, EHSD is our fiscal agent and has mechanisms in place. If looking for more on WDB meeting our marks, that would be something the Board would have to propose and agree on. There is a performance report in the agenda packet. Board members can look at the budget and WDB performance indicators and provide staff with guidance.
- Board conversations on how to allocate dollars is an excellent one. How staff are allocating dollars, in terms of programs, and what the performance measures are for that. Things are changing with the pandemic, and how WDB measures success might look differently. What does it look like with people going back to work. Employers are experiencing different things, services have to be adjusted and tailored.
  - Administrative/Overhead includes personnel, leases and other operating expenses.
- Is "Training" for staff as well as for WIOA training funds for the people we are trying to help?
  - None is for staff training, only for WIOA participants.
  - In the 46% for "Contracts", are some of those "Contracts" direct service-training contracts?
    - No, those are separated into training and training related contracts. The provider contracts would be Rubicon, Mt Diablo, Contra Costa, the case management youth services.
- How is the success of programs with the financial investments made into them. Are these sector priorities, have they changed, and if they have how does WDB shift with the investments. The Chair would like to talk to the Executive Director about this and put it on the Executive Committee agenda for another meeting.

## I2 Performance Report

Reporting on Adult, Dislocated Worker, and Youth programs. Discretionary grants are not included. Working on how to bring this performance information to the Board, because the Manager Information Systems (MIS) coordinator position is one of our vacancies right now. ## I3 Youth Centers Update

- Will staff receive best practices, lessons learned, and different perspectives from the contractors under this grant providing those services?
  - Wrote the report from our perspective but could add getting insight from the actual contractors in future.
- The Chair requested to add that to our performance report. Move this performance report from informational to discussion item and invite contractors to the March Full Board meeting.

## I5 Adhoc Committee for Proposed WDBCCC Business Resources Center

The BED Committee approved a Business Resources Center Adhoc Committee and to include non Board members to participate. Will go through activities process with Full Capacity Marketing.

#### I6 Rapid Response Report

HelloFresh let staff go into their workplace during work hours and provide information to their affected employees. Information was provided in Spanish too since many of the affected workers are Spanish speaking.

## I7 CEO Agreement Update

A CEO agreement was previously presented to the WDBCCC Board. However, it had not gone through the county process and the Board of Supervisors. There are revisions that county staff have suggested. It will be coming back to the WDB Board for approval before going to the Board of Supervisors. Trying to have a draft ready for the next Executive Committee meeting.

#### CHAIR CLOSING REMARKS

Encouraged Board members to attend some Committee meetings to become familiar with the Committee Chairs, support staff, and community. Also requests to review your orientation manuals and offer suggestions to update them so that they are viable.

#### THE MEETING ADJOURNED AT 4:24 pm

Respectfully Submitted, Patricia Conley, Business Services Representative

RE:	Approve Amended & Reinstated Chief Elected Official (CEO) Agreement
FROM:	Tamia Brown, Executive Director
TO:	Workforce Development Board of Contra Costa County (WDBCCC)
DATE:	February 7, 2023

## RECOMMENDATION

- 1. That the Full Board approve the Workforce Development Board Contra Costa County (WDBCCC) Amended and Reinstated Chief Elected Official (CEO) Agreement recommended by the Executive Committee.
- 2. Submit to the Board of Supervisors for approval.
- 3. Authorize the Board Chair sign the Final CEO Agreement

# A. BACKGROUND

Your Board approved a revised Chief Local Elected Official (CLEO) agreement in August 2019, and move forward to the Board of Supervisors (BOS) for approval. Subsequently, the version of the CLEO agreement has been revised and updated and requires this board approval to move forward.

The purpose of this Agreement is to define the roles and responsibilities of the WDB and the BOS for the administration of funds and programs under WIOA and its regulations and any applicable directives as may be prescribed by the Governor and the California Workforce Development Board for the purpose of administering Workforce Innovation and Opportunity Act.

This Agreement acknowledges the shared objectives of the WDB and BOS to develop and administer a successful workforce development system to serve and benefit the residents of Contra Costa County. Through the partnership established between the BOS and the WDB, the Parties will endeavor to provide effective local policy development for and administration and oversight of WIOA and its programs.

# B. SCHEDULE

Action on this item will result in approval from the Full Board and request for approval from the Board of Supervisors (BOS) however this agreement will need to be reviewed by both the county counsel (CC) and the county administrators office (CAO) before going to the BOS. This can often take a great deal of time and necessitate some negotiation in language. If there is significant rewrites required from CC and CAO, the agreement will need to come back before the WDB for subsequent approval of any significant changes.

# AMENDED AND RESTATED AGREEMENT BETWEEN THE WORKFORCE DEVELOPMENT BOARD OF CONTRA COSTA COUNTY AND THE CONTRA COSTA COUNTY BOARD OF SUPERVISORS (CHIEF ELECTED OFFICIAL AGREEMENT FOR THE ADMINISTRATION OF THE WORKFORCE INNOVATION AND OPPORTUNITY ACT OF 2014)

This Amended and Restated Agreement (the "Agreement") is entered into by and between the Workforce Development Board of Contra Costa County ("WDB") and the Contra Costa County Board of Supervisors ("BOS") on behalf of County of Contra Costa ("the County"), a political subdivision of the State of California, and constitutes the Chief Elected Official Agreement in furtherance of the administration of programs under the Workforce Innovation and Opportunity Act of 2014 ("WIOA")<sup>1</sup>.

# I. <u>PREAMBLE</u>

A. The BOS recognizes the WDB as the designated Local Workforce Development Board for Contra Costa County. In 2000, the BOS appointed members to the WDB (formerly known as the Workforce Investment Board of Contra Costa County) and approved of the Workforce Investment Plan. (March 7, 2000 BOS Agenda, C.31, C.157).

In 2004, the BOS and WDB ("the Parties") entered into the "Agreement between the Workforce Development Board of Contra Costa and the Contra Costa County Board of Supervisors for the Administration and Oversight of the Workforce Investment Act of 1998," thereby defining various roles and responsibilities between the BOS and WDB.

C. WIOA of 2014 superseded the Workforce Investment Act of 1998. WIOA and its regulations, including 20 CFR section 679.430, require a written agreement between the WDB and the Chief Elected Official ("CEO") to clarify how responsibilities will be carried out in compliance with WIOA and corresponding regulations, relevant Office of Management and Budget circulars and regulations, and the State's conflict of interest policy.

D. Pursuant to WIOA and its regulations, the WDB and the BOS, acting through its chairperson as the CEO, wish to enter this Agreement to amend and restate their agreement and their respective defined roles and responsibilities therein, including those relating to WIOA administration and oversight.

The Parties therefore agree as follows:

RE:	Increasing Employer and Workforce System Customer Access to Good Jobs - Discussion
FROM:	Verneda Clapp, Adult/Dislocated Worker Program Manager
TO:	Workforce Development Board of Contra Costa County (WDBCCC)
DATE:	February 7, 2023

## PURPOSE

The Department of Labor (DOL) has put out an advisory Training and Employment Guidance Letter (TEGL) NO. 07-22 that defines the characteristics of a good job; explains why job quality is important; and outlines how the workforce system should integrate good job strategies into its employer partnerships and workforce training.

## DISCUSSION

DOL strongly encourages State Workforce Agencies (SWA) and Local Workforce Development Boards (LWDBs) to use the information in TEGL NO. 07-22 to develop a strategy for identifying and creating long-term partnerships with employers offering good jobs and to create strategic, flexible career pathways to good jobs that respond to local labor market needs. WDBs and SWAs should also ensure:

1) individuals from underserved and underrepresented communities have equitable access to the services of the workforce system and

2) jobs created in the economic growth spurred by federal investments such as Bipartisan Infrastructure Law, Inflation Reduction Act and the Science Act, etc

3) Incorporate Good Jobs Principles into Workforce Innovation Opportunity Act (WIOA) strategies

## **KEY ATTRIBUTES OF GOOD JOBS**

## 8 Key Principles Identified by the Department of Labor

- 1. Recruitment and hiring,
- 2. Benefits,
- 3. DEIA (diversity, equity, inclusion, accessibility),
- 4. Empowerment and Representation,
- 5. Job Security and Working Conditions,
- 6. Organizational Culture,
- 7. Pay
- 8. Skills and Career Advancement

RE:	Adult and Dislocated Worker Program Mid-Year Report
FROM:	Verneda Clapp, Adult/Dislocated Worker Program Manager
то:	Workforce Development Board of Contra Costa County (WDBCCC)
DATE:	February 7, 2023

## BACKGROUND AND OVERVIEW

The Adult and Dislocated Worker (A/DW) program provides resources and **career services (basic and individualized)**, training services and follow-up services that connect to industry-focused education and training programs, thereby increasing the number productively engaged in the workforce. Basic Career Services are universally accessible and is made available to all individuals seeking employment and training services in the comprehensive AJCC. Individualized Career Services involves significant staff time and the modification of services to fit an individual needs. These services can include specialized assessments, individual employment plans, counseling work experiences which the WIOA participant would need to obtain or retain employment. Training Services are available through the AJCC network and helps customers meet the skills and experience needs of employers. Follow-up Services are provided for up to one year for participants following the exit from the program.

## PERFORMANCE

The table below reflects the number of participants being served from July 2022 through December 2022 (mid-year).

Rubicon Programs	Enrollments	Trainings	Job Placements
Adult	138	60	42
Dislocated Worker	14	11	9

Pittsburg Power Pre- apprenticeship Training Construction	Enrollments	Trainings	Job Placements
Adult	21	21	12

## CHALLENGES

WDB has encountered in the first quarter, a high demand for training money that created a shortage. To address this, additional funding was made available by leveraging discretionary grant program

funding streams. Another method used to address this challenge is increased usage of the Metrix Online training platform as well as co-enrollment between other grant funding streams.

# ACHIEVEMENTS

Rubicon Programs in partnership with WDB applied and was awarded grant funding of AB628 Breaking Barriers to Employment Initiative. With this funding, we will work collaboratively to deliver supplemental, supportive, remedial and wraparound services to advance the objectives of the initiative to break some of the barriers of economically disadvantaged in Contra Costa County.

# Current Situation: Measure X Youth Centers (LaTosha Stockholm, Program Manager)

The Request for Interest (RFI) to procure a consultant to conduct stakeholder and community engagement in regards to the Measure X Youth Centers has been cancelled. RFI #744 previously closed on September 20, 2022, and the contractor, Third Sector, was selected and notified. In December 2022, the contracts unit determined that an additional submission had been received timely, which was inadvertently omitted from the rating and review process. Notice was sent out to Third Sector to cancel the award in late December. Due to the omitted submission, the RFI process had to be started over again.

- RFI (re-release) submitted to contracts on January 18, 2023
- Contract units assigned the RFI for processing on January 24, 2023
- Re-release expected to take place by January 30, 2023

# CHALLENGES

- Job placement results are difficult to capture following the job fair due to little response to survey requests from employers and jobseekers.
- Business services decrease since October 2022 due to staff reassignments and increased vacancies across the department.
- Pandemic barriers continue to challenge with low attendance and event cancellations.
