Your Opinion Matters

As we look to support the
development of youth centers in
Contra Costa, **the most important
voices are teens and young adults.**

There's so much we need to ask you!

- What services are most important?
- Where should the centers be?
- Who should they serve?
- How should they operate?

We Want to Hear from:

Youth **between the ages of
13-24** living in **Contra Costa
County** with an interest in
**giving feedback to this
process** and help to **inform
our recommendations.**
